Rentals: Worked year-round in ski and summer rentals. As a Certified Rental Ski Technician, assisted with ski/snowboard fittings using the Wintersteiger system and managed rental lines during peak season. In summer, I cleaned and maintained gear for camping, water sports, biking, tennis, and pickleball. Provided personalized gear recommendations based on activity, experience level, and customer preferences.

Point of Sale: Processed transactions, returns, gift cards, and inquiries efficiently while maintaining professionalism during high-traffic periods.

Merchandising: Designed signage and product displays to support seasonal campaigns. Restocked and organized merchandise to maintain visual standards and enhance customer engagement.

Backcountry: Offered guidance on technical outdoor gear including packs, climbing equipment, and skis/snowboards.

Floor Sales & Footwear: Advised on apparel and footwear based on terrain, activity, weather, and orthopedic needs. Provided fit and layering recommendations while staying updated on inventory, launches, and promotions.

Team Sports: Handled tennis racket intakes and assisted customers in choosing equipment for both recreational and competitive play.
